**BUSINESS WAS GOOD**

## Construction During 1960 ... $16 Million

Despite the nation's much whispered "recessional dip," Daly City experienced a healthy business climate during 1960.

The two biggest local "industries," construction and auto sales, maintained a strong pace, but 1961 is an economic puzzler.

Daly City population, doubled in a decade, this year neared the homestrech in its climb to maximum potential saturation. The federal census showed a count of 43,500, and with new-arrivals since then the figure now must approximate 44,000.

For a community that sprang up just after the big San Francisco fire and earthquake in 1906, Daly City, incorporated in 1911, has realized phenomenal growth. It now ranks as the county's third largest city, and within about two years Daly City could replace county-seat Redwood City as second to 70,000 San Mateo.

Much depends on potential expansion to the relatively untapped 5000-acre Crocker hills east of town. Also a possibility is the almost 1000-acres unincorporated Christen ranch property southwest of Junipero Serra boulevard.

Westlake, the town and country community which emerged from sandy cabbage patches back in the late 1940's, has about 24,000 of Daly City's estimated 44,000 population.

The city as a whole has about 12,500 homes, 500 apartment units, and 750 business establishments and stores.

The public works department estimates that new construction next year will scale about $3 million for approximately 200 more homes, $1.5 million for 300 more apartment units, plus new shopping center and single structure stores.

"The trend in the next few years," says Maurice Clark, assistant city building inspector, "is for more apartments and fewer homes because we're running out of land."

Clark reports that 1960 new construction here totaled $16,396,000 in valuation. This included 781 new single family residences, valued at $11,846,000, and 395 apartment units, $2,229,000. Building permits numbered 1311.

This year's $16 million new construction compared with $25,053,000 in 1959 when 1499 new homes and 228 apartments were erected.

The city's all-time monthly construction "high" came in May of 1959 when permits were issued for 354 new homes and the total valuation of new buildings skyrocketed to $4,988,000.

The 1960 monthly breakdown on building permits and new valuation:

January—54 permits, valuation $1,619,000; February—211, $2,528,000; March—166, $1,887,000; April—76, $1,113,000; May—169, $2,222,000; June — 124, $1,713,000; July—136, $1,496,000; August—111, $1,320,000; September — 116, $1,407,000; October—42, $450,000; November—54, $468,000, and December— (estimated) 40, $200,000.

Daly City officials this year adopted a new master land-use zoning guide and its enforceable new zoning ordinance. Also drafted and ready of adoption are a billboard ordinance and a

## Man Threatens Cab Drivers With Knife

Earl L. Jones, 30, a San Francisco box-maker, was arrested early Wednesday morning for allegedly knife-threatening a group of men in front of Jim's Donut Shop, 6288 Mission street.

The incident was provoked when Jones entered the shop, and, according to witnesses, noisily accused some of the male patrons of making passes at his girl-friend, a waitress. Two of the men, both Yelfow Cab drivers, got up and walked out. Jones, according to Officer Art Linhares, drinking coffee in the shop at the time, followed them, holding a 4-inch switch-blade knife behind his back. Loud and profane shouting soon came from the sidewalk. Linhares went outside and was confronted by the cabdrivers, Charles R. Ames and Albert J. Maffler, both of San Francisco, who explained that Jones had waved the knife in front of them, threatening to "kill them all" if they didn't leave the girl alone. Jones meanwhile had walked north on Mission street. Linhares spotted him not far away, and rushed off for assistance. When he returned with Officer William Schumacher, he found Officer James Doran on the scene. Doran had cornered Jones behind a parked car on the corner of Mission and Bepler streets. When the officers approached the suspect hurled the knife into the street and was quickly apprehended.

He was taken to the Daly City Police station and booked for carrying a deadly weapon and brandishing it in a threatening manner. Bail has been set at $787.

Come on in, young fellow 1961 and take over! Be sure to bring with you 365 days chock-full of progress, achievement and success (plenty of good health and happiness, too,) for all our friends. May you be the luckiest year ever for all!

**Council Orders 'Study'**

## UNION MEMBERS WANT 2% MORE, POLICE-FIREMEN SEEK 5 PERCENT PLUS 'DENIED' FRINGE BENEFITS

Daly City's aroused municipal employees Monday night requested mid-fiscal year pay increases by the city council and want these boosts to begin January 1, 1961.

The Muni Employees Union and the Police and Firemen's Association submitted simultaneous but separate requests.

The unionists ask a 2% increase, and the police and firemen, represented by Attorney Thomas Bocci Jr., seek a 5% jump and several fringe benefits.

All city employees last July were granted 3% cost-of-living increases by the council on recommendation of the city manager. Both groups had asked for 5% increases and the city personnel board recommended a 2½% increase the first six months, ending this month, and another 2½% increase from January 1 to June 30 next year.

The council settled for a flat 3% increase for the entire fiscal year, basing this "reduction" on the city's tight budget predicament entering this fiscal year and the city manager's adherence to what he called basic cost-of-living considerations.

The nearly 200 employees, disgruntled by the 3% "only" hike, base their latest appeal again on a comparison of salaries in similar cities on the Peninsula and the cost of living factor.

In study session prior to the regular meeting, the council reviewed the letter from Jay M. Hartman, business representative of the Muni Employees Union, and heard a verbal presentation by police officers James Bergstrom and William Schumacher, spokesmen for the police and firemen.

The latter's letter began: "We wish to protest the wages and conditions granted to us in July of 1960."

Besides the 5% hike, the police and firemen, many of them attending Monday's council meeting with their wives, are requesting:

1. More court-time pay for police officers.
2. A 63-hour work week for firemen.
3. A clothing allowance.
4. Unlimited sick leave.
5. Three weeks vacation after five years of city service. Four weeks vacation after 10 years.
6. Longevity pay.

All of the above fringe benefits were rejected by the personnel board and the city council earlier this year.

Mayor Frank Pacelli had the backing of the entire council Monday night when he ordered the proposals referred again to the personnel board "for their study and a recommendation."

Councilman Bob St. Clair said turning the matter over to the personnel board was the best procedure. "Otherwise, we'd be bypassing our commission system," he declared.

Councilman Micheal DeBernardi explained that the council needed some figures on the "cost factors these pay increases would mean to the city. . . . I don't see how we can make any decision until we gather some figures."

Bocci, the former municipal judge, strongly stressed the seriousness of the employees' requests and the "immediacy" of a decision by the council.

"These requests are not frivolous," said Bocci. "Compared to other cities, there are several inequities in Daly City's salary scale and fringe benefit provisions. I think the facts show the proposals are warranted and justifiable. There should be no 'retreat' to the personnel board for a decision . . . please

## Daly City's Xmas Weekend 'Safe & Quiet'

Daly City emerged from the Christmas holidays after what may be termed an "unusually safe and quiet weekend."

The Police Department, after gearing themselves on Friday afternoon for a possible increase in accidents at home and on the highway, gave a sigh of relief Monday. Except for a number of minor collisions involving no injuries, a drunk driving arrest, and the theft of a few Christmas tree light bulbs, the "four days of Christmas" passed uneventfully, save for a few unreported cases of indigestion.

Fire Chief Elmer Kennedy's resuscitator squad enjoyed a weekend of rest. The firemen's most "serious" problem was a service station rubbish fire Saturday.

None of California's 37 traffic deaths occurred in Daly City.

## Daly City Prospered This Year Despite Frequent Controversies

Daly City's reputation for being a thriving yet controversial community was heightened by numerous events in year 1960.

Citizen interest in the politics of government hit an all-time pitch — particularly the past six months. And with another municipal election early in 1962, sustained attention to City Hall actions is the expected par for the local course.

It was a trying 12 months for city administration, starting with the revelation in January that last year's city budget was more than $240,000 out of balance. This gloomy predicament took a turn for the better on March 1 when a new city manager was hired to replace one who left after a tenure of only nine months.

Daly City's almost 200 municipal employees suffered the consequences of the budget predicament—their salary requests were halved in two, and all departments felt the "limited funds" pinch.

**The Uproars**

The biggest storm of the year resulted from the Callan Park annexation attempt, which brought a citizens' petition drive for a special election. Local voters on August 16 rejected the annexation by a 2-1 margin—6842 against the big tract and 3640 for acquisition of the property.

Equally intense was the furor over location of the Junipero Serra and east-west freeway laterals. Public hearing last January in South San Francisco produced one of the biggest verbal battles in north county history. The Daly City council is awaiting final state approval of the two main routes and state appraisers already have begun examining property along Junipero Serra where several property owners will have to sell their parcels to make room for the freeway.

City Hall politics, relatively serene in April when two incumbents had only one challenger in their reelection bids, generated considerable fury during the annexation battle and more fireworks could explode next year as a prelude to the 1962 council race when the terms of three incumbents expire.

Defeat of Callan Park, the most publicized single controversy in Daly City's history, prompted builders to confine their expansion plans to the undeveloped Crocker Hills east of town and the sizeable Christen ranch lands fronting Junipero Serra south of St. Francis Heights. Also, a boundary swap with Pacifica, amounting to Daly City taking in about 100 acres, was initiated and is near enactment.

Standard Builders of San Francisco kicked off this "eastward ho" movement with a 100-acre annexation to Daly City. Seven hundred hillside homes are planned in this subdivision, plus an elementary school under jurisdiction of Brisbane school district.

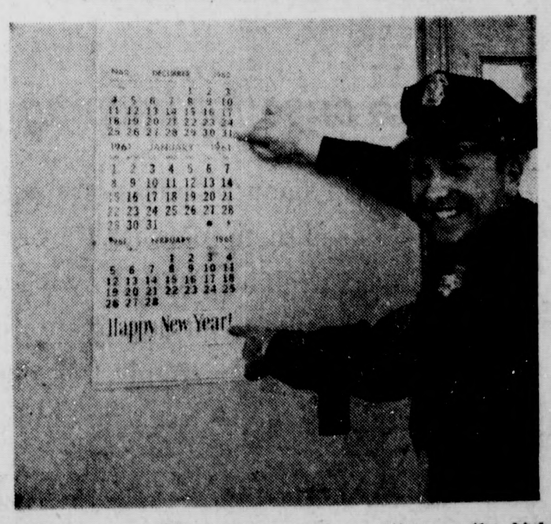

While Callan Park stirred up a storm, Standard's "Southern Hills" subdivision was brought into Daly City without a whimper of protest. Many observers, fearful of school double sessions and higher taxes, claim their opposition to Callan Park

# BOMB THREAT RECEIVED BY LOCAL GROCER

A local grocer has reported receiving a bomb threat last week from an unknown person.

Robert Fessenden, owner of the Westlake Grocery, 301 Miriam street, told Daly City police he answered the telephone at 2 p.m. Wednesday afternoon, and heard a man's voice say:

"Look, I'm telling you something right now. If you don't leave $2000 in the telephone booth I'll bomb (your) place."

Fessenden replied, "Go ahead and do it, you screwball!" and then hung up.

The caller apparently did not specify which phone booth he had in mind.

Police advised Fessenden to contact them immediately if he received any such calls in the future.

## Car Top Ripped In Xmas Gift Theft

A burglar slashed the canvas top of a 1955 convertible parked at the Westlake Bowl Tuesday night last week, and absconded with four Christmas packages valued at $20.

The owner, Edward L. Perry, 22, of 318 Rome street, discovered the damage and theft when he returned to his car at 11:45 p.m. The gifts consisted of a girl's sweater and three children's games.

Perry suffered a $60 loss on the ripped top.

# Fraud Victims, Police, Seek Cool Couple

Daly City and other Bay Area police are still searching for two suspects wanted in connection with numerous cases of "classified ad fraud."

The culprits, a man and a woman, have attained notoriety for answering newspaper advertisements which offer furniture and appliances for sale, and "paying" for the items with fraudulent checks. They generally arrive to pick up their purchases in the evening, when their victims are unable to contact the bank regarding their credit standing.

The suspects, who police feel may be married, pose as a pair of struggling newlyweds, in search of good second-hand furniture for their "new" home. They appear friendly and sincere and are always eager to show credentials to their victims before making out the checks.

They have been known, police report, to maintain a series of small checking accounts, allegedly under an assumed name, which are grossly overdrawn upon the purchase of each advertised item.

# Fire Alarmist Let Off Easy

Jack Rose of 9 Wilshire avenue, after contemplating for several weeks the red box in front of his house, decided last Sunday afternoon to take action.

Dreaming of sirens, bells and happy chaos, he reached up to the box and firmly pulled the lever. After several anxious moments—the suspense was almost unbearable — two giant trucks came thundering down the street. There was no fire. No drowning. No cat trapped in a tree. Just the firemen, their truck and Rose. And the ingenious magic box that could make any day "fire day" at the pull of a switch.

The firemen were not pleased with Rose's performance. Setting false alarms is a misdemeanor, punishable by fines of greater or lesser amounts, depending upon the frequency of the acts.

However, they did not hand the culprit a citation. He won't be fined nor spend any time in jail. Somehow, firemen feel, he won't be allowed near the mystery box any more.

Jack Rose is 3 years old, Daly City's youngest fire alarmist.

# Two D.C. Women Attempt Suicide Over Weekend

The Daly City Police Department was called in on two unrelated cases of attempted suicide Christmas Day.

The victims, Evelyn Vineyard, 1350 Southgate avenue, and Dolly Campbell, 456 Santa Barbara avenue, both 32, resorted to an overdose of drugs and are resting at local hospitals.

Police received a report from Letterman Hospital, San Francisco, early Christmas morning, stating that Mrs. Vineyard had just called them threatening to take her own life. Officer James Bergstrom rushed to the victim's home where she admitted having just swallowed "seven tablets." She was taken to Junipero Serra Hospital, then transferred back to Letterman, where doctors reported she had been under treatment for a serious illness.

Mrs. Campbell's doctor, Leonizo L. Molabed of San Francisco, reported to police that night that his patient had taken 30 Escobarb tablets in an attempt to commit suicide. She was promptly driven to San Francisco Hospital.

# 1960 In Review -- Prosperity Despite Frequent Controversy

(Continued from Page 1)

was based on the enormous size of the annexation.

Construction this year added almost $16.5 to the city's tax rolls. This included 781 new homes, 391 apartment units, and numerous renovation projects.

Westlake, the bustling westside district, boomed with additional shopping center facilities. The main center now has 77 stores, one of the nation's best bowling alleys, the city's $200,000 new main library, a postoffice, restaurants and "balanced offerings. The area west of Junipero Serra in 1961 will have a new Skyline Plaza shopping center and another shopping center in St. Francis Heights.

**Mission Street**

Mission street, Daly City's most productive revenue producing "main artery," was the topic of city and Chamber "planning for improvements" this year. Merchants have been asked to cooperate in the drive to revitalize the Mission district. Rehabilitation of old stores, addition of many more, and expansion of existing services, including off-street parking are the objectives. And to be explored is redevelopment of certain east-side neighborhoods.

New Chamber of Commerce president Frank Martorana, veteran Mission street auto dealer, pledged all-out efforts to rehabilitate Mission and to encourage the state and federal government to consider Daly City as the site for new office buildings.

This year got its biggest shot in the arm — a $116,000 "new look" — removal of the pestiferous old railway tracks, resurfacing, center safety strips, signals at formerly hazardous intersections, and $2500 in palm trees for beautification.

**Police, Firemen**

Service-wise, the city realized better police and fire protection, although there were the inevitable big incidents.

There were but two fires of dangerous consequence — one completely destroying the old box factory on Hill street near the railroad line, and the other leveling the historic Meusedorffer mansion on Whittier street. Chief Elmer Kennedy's regulars responded more than ever before to life-saving resuscitator calls. At least two dozen heart seizure victims as well as about 12 infants who suffered from convulsions and similar complications were removed from danger by the "timely" firemen.

Addition of seven firemen and opening of new Fire Station 5 in Westlake on Lincoln avenue and Edgemont drive, bolstered city fire preparedness. Kennedy's men also had the benefit of two new 1250 gallons-per-minute fire pumper trucks. The department's Fire Prevention Bureau, headed by Battalion Chief Frank Specht, stepped up operations, checking homes and business houses regularly to point out potential hazards. And the Bureau continued its fine work in local schools, stressing prevention techniques that completely absorbed the youngsters' attention.

Chief Roland Petrocchi, who lost his assistant, Roy McLaren, in November to the city of Novato where Roy is heading a new department, supervised a well coordinated corps of veterans and rookies. Traffic safety records reflect the department's effective program despite heavier population and the voluminous commuter traffic on the three major north-south highways.

Petrocchi has introduced radar timers to reduce the statistics of bloodshed caused by speeders. Each member of the force is capable of working the timers.

**Human Drama**

Police had more than their share of tragic cases. To name a few—the 32-year-old housewife who strangled her four-months-old son, accidental deaths of two women in Westlake (one by drowning and the other via acute alcoholism); the pool fatality involving a 44-year-old maintenance man; slaying of a 72-year-old housewife, Mary Conti, by her husband; suicide by the wife of a local laundry owner, death of a four-year-old boy in a car mishap at Junipero Serra and Eastmoor, and the recent murder-suicide at Broadmoor Shopping Center.

Add to this list trackdowns of numerous robbery and burglary suspects — many of them armed and argumentative. There were a handful of minor narcotics arrests—mostly marijuana smokers who could have advanced to the more lethal potions.

A new loitering ordinance, intended to reduce park vandalism and improper behavior on city parks and playgrounds after dark, was recommended by the recreation commission and is being drafted for council adoption.

**Citizen Protests**

The protest over the rumored city abandonment of tiny Edgewood Park—a September outburst that was settled with all satisfied—matched in intensity a protest by homeowners in the Garibaldi street area against zoning for apartments. The apartments won out—but not until the petitioners were guaranteed certain conditions by the builder.

Other mass citizen protests were made known for a new clubhouse at Lincoln Park, and on the cluttered condition of Westmoor Park — the undeveloped site below the high school. The city hasn't anything set aside for the clubhouse in its present budget, but crews have tidied up Westmoor Park and the city will soon begin a $20,000 job of preliminary development on the site.

**Chapman Appointed**

Bill Chapman, 29, graduate of University of Illinois, officially became Daly City's public works department chief in January. He succeeded Otis Calhoun who resigned in 1959 to become assistant director of public works for Santa Clara County.

Chuck Vincent, former recreation supervisor, took over as director of the department. Former Parkmerced recreation director Edward Tomasello is Vincent's assistant. Rich Watso, recreation supervisor "pro tem" the past few years and adviser to Daly City's highly successful Hi-Fi Teenagers Club, has accepted Tomasello's prior post at Parkmerced. Fortunately, Watso will continue to direct the teen club.

There were changes on the city commissions. Chairman Mel Battye of the personnel board, a former councilman, was sidelined by a serious heart attack. Attorney Albert Polonsky was appointed to the board to replace long-time member Starr Dunham of Westlake.

Roy W. Foster, a standout on the planning commission, was replaced, when his term expired, by McRobert Stewart, 33-year-old director with the Westlake Improvement Association. Earlier in the year, TV-radio executive Del Gore, also of Westlake, was appointed to the planning board.

Term of library commissioner Frank DeMartini expired and commissioner H. Clifford Dignam resigned because of his relocation to Sacramento. The council is expected to fill these vacancies shortly.

Daly City's new $200,000 library, on Southgate avenue, was one of the community's "welcomest" additions. Its grand opening ceremony is due in January. Architect for the facility was Westlake resident John Gloe, who also designed the new fire station.

**Hospital Plan**

Last and certainly not least important was the announcement that Mary's Help Hospital was planning to transfer to Daly City, purchasing a 7½ acre site only a few blocks from City Hall for $265,000 from the Smith brothers, members of a pioneer local family. Difficulty over obtaining title to the property and zoning changes has eliminated this site from consideration, but Mary's Help officials are looking for a new site to serve the residents of Daly City, South San Francisco and Pacifica. Their plans call for a $10 million multi-storied hospital, total capacity 350 beds. If everything goes on schedule, the hospital should be operational by 1964. And with it should bring several new medical-dental buildings on the Mission commercial strip.

Transportation projections appeared to be nine-tenths resolved as far as freeways and rapid transit were concerned. Freeway construction is guessed about three years off and rapid transit at least twice that far removed. City officials have endorsed the proposed rapid transit line along the Southern Pacific tracks on Junipero Serra. A transit depot and parking lot is mapped near the Knowles avenue-Junipero Serra crossing.

Emergency hospital service continued to overpopulate tiny Junipero Serra Hospital, and the debut of Peninsula Ambulance in this area for city-dispatched emergency calls has streamlined "rush" calls.

**Schools Crowded**

Daly City's schools in 1960 accommodated bulging enrollments—both in the parochial and public systems.

Our Lady of Mercy in Westlake had 550 pupils, while Our Lady of Perpetual Help and Holy Angels each reported 400 students.

Jefferson Elementary District's 17 schools, under the direction of Richard Foster, began the fall semester with a student population of 8100. Fernando Rivera was the newest addition. Construction has begun on M. Pauline Brown in St. Francis Heights and George Washington on Whittier street. Old General Pershing on Hanover was demolished and replaced by a new facility. Ancient, two-classroom Jefferson annex on San Pedro avenue was abandoned and its students transferred to Jefferson school on Allemany street. Two new classrooms were opened at Jefferson this year.

High school enrollment found 1308 at Jefferson, 1359 at Westmoor, and 899 Oceana students. Westmoor and Oceana students were on double sessions which will end next fall when Terra Nova High opens in Linda Mar. The second Coastside High school, Oceana in Sharp Park, is set for a September of 1962 opening.

High school trustees this year approved plans for a new main building and gym renovations at Jefferson which will cost approximately $1,750,000. Older portions of the school will be torn down after the new buildings are completed.

Next February 7 is the date of a vital bond election for both the elementary and high school district. Balloting will be residents of Daly City, Colma, Broadmoor, Pacifica, Brisbane and Bayshore. A massive citizens' committee, headed by Westlake resident Robert Smice, will lead the campaign for "yes" votes on the bonds and state aid requests.

This year, school teacher Frank Verducci succeeded gas station owner Joseph Lewkowitz as chairman of the elementary school board, and contractor Lyal Ingersoll took over the high school board chairmanship from Colma monument company owner Elio Fontana.

Lewkowitz, a veteran trustee, also assumed a new responsibility when he unseated former city councilman Paul G. Selmi in April for the four-year city treasurer's job. The third candidate for the post was Peter J. Becker, prominent veterans' organization leader.

# Autos, Food and Liquor Represent City's Biggest Taxable Industries

Information received from Joseph Arch, Daly City's finance director, indicates that the city's various classes of business now fall into 13 distinct categories. The largest by far, in terms of total taxable sales dollars, is the Motor Vehicle industry. A distant second is the eating and drinking business, which includes restaurants, cafes and bars. Stores dealing in general merchandise rank third, with food stores fourth.

Below are listed the 13 categories. The corresponding figures are not averages but the city Finance Department's estimates of the total taxable gross sales for each class during 1960.

| | |
|---|---|
| Motor Vehicle Dealers | $17,032,000 |
| Eating & Drinking Establishments | $4,376,000 |
| General Merchandise | $4,228,000 |
| Food Stores | $3,696,000 |
| Manufacturing & Wholesale | $2,788,000 |
| Apparel Stores | $2,376,000 |
| Building Material | $2,356,000 |
| Home Furnishings | $2,144,000 |
| Drug Stores | $2,092,000 |
| Service Stations & Auto Supplies | $1,584,000 |
| Liquor and Tobacco | $1,396,000 |
| Other Retailers | $1,328,000 |
| Personal Services | $936,000 |

**GRIZZLY CUBS**

Grizzly cubs are born in January or February, reports the National Automobile Club.

At birth they are about nine inches long, weigh six to eight ounces, and are blind, hairless, and toothless.

Cross streets with caution, advises National Automobile Club.

bring this to an immediate head. We'd like to sit down with you right now."

Bocci's arguments, producing loud applause, brought this reply from Pacelli:

"You can be sure that we are not retreating by referring this to the personnel board. It meets January 12, and by that time we should have all the cost factors in mind. We will not delay this decision—you will get an answer as soon as we examine the facts."

The council then instructed the city manager to prepare a report on the cost factors necessary to meet the employees' requests and where the extra money "will come from," as DeBernardi phrased it.

The mayor also informed Bocci that the two-weeks period before the personnel board meets wouldn't handicap the proposals. "The council is agreed that if we approve the pay requests they will be retroactive to January 1, Pacelli finalized.

more restrictive subdivision ordinance.

Daly City's high fire insurance rates, upped by the National Board of Fire Underwriters two years ago, may be reduced next spring after a new survey which should take into account many water and fire department improvements. The city is in the second year of a five-year water system improvements program, a pay-as-you-go capital outlay venture which will be accompanied by a request for higher water rates. Daly City's water facilities, particularly on the older side of town, badly need repair, and most of the rehabilitation is planned for this section of the community.

**Birthday Party**

On March 11, 1961, Daly City will observe its 30th birthday. To commemorate the event, a committee that has been organized the past eight months is finalizing arrangements for a week-long celebration—with all groups in the community invited to participate.

Theme of the anniversary event will be: "Daly City—A Century of Progress In Half the Time," a slogan submitted by a Westlake housewife with four children, Mrs. Robert Enright.

The celebration will have a grand parade with outstanding local and outside marching units, a grand ball, flower show, art show, street and ballroom dancing, a beard contest, antique cars exhibition, golf and bowling tourneys, youth-in-government, and school displays and open house.

Dr. Fenton McKenna of San Francisco State College will coordinate the activities. The SF State a cappella choir, band and orchestra, and drama students will perform in a pageant saluting fifty years in Daly City—"the gateway to the Peninsula."

# State Tax Collections Soar To All-Time High For Fiscal Year 59-60

State, local and federal tax collections in California rose $1,722,839,000 above last year's figure to reach an all-time high of $12,647,843,000 for the fiscal year, 1959-60, according to a report from the Economic Development and Research Department of the California State Chamber of Commerce.

For the previous fiscal year the total was $10,925,004,000. Overall total tax collections sixteen years ago, in 1940-41, amounted to $1,079,999,259.

In the category of federal tax collections, California ranks as second highest in the nation, the report shows. New York state, with total federal tax collections of $17,280,465,000 ranks first, while Califoria's total federal tax collections pares with the previous year's California total of $6,923,918,000.

State tax collections amounted to $2,423,632,000 in 1959-60 as compared with the previous year's $2,018,358,000. Local property taxes, based on the State Chamber's estimate of levies by county and city governments and school and special districts, amounted to $1,994,500,000 as compared with the previous year's $1,782,925,000.

The report disclosed that increases in school district taxes amounted to $129,784,000 in a year's time. The total for 1959-60 was $976,454,000 as compared with the 1958-59 total of $846,670,000. Nineteen years ago, in 1940-41, the total of school district taxes was only $104,237,631.

City and county sales taxes accounted for $232,000,000 of the total in 1959-60, according to the Chamber report, while State sales and Use taxes amounted to $711,391,000.

Highway Use Fund collections totalled $482,381,000, including $337,530,000 in Motor Vehicle Fuel Taxes; $132,157,000 from Motor Vehicle Fees; and $12,695,000 from Tax on For-Hire Carriers. This compares with the previous year's total of $452,893,000.

INTER-COUNTY EQUALIZATION

# State's Appraisers Start Re-assessing Taxable Property

Appraisers from the State Board of Equalization have started field work on a program designed to test the average relationship between assessed values and market values of taxable property in San Mateo County, according to George R. Reilly, First District member of the Board of Equalization. This is part of a statewide inter-county equalization program which is continually in progress throughout the state.

The primary purpose of this work, Reilly explained, is to see that this county gets its proper share of state school funds. Other things being equal, the state furnishes more aid to school districts with limited taxable resources than to wealthy districts.

Qualified appraisers will value numerous real and personal properties in the county. These appraised values will then be compared with the 1960 assessed value of these properties, and an estimate of the total market value of all property in the county in 1961 will be made by the Board's statisticians. Later, this estimated market value will be compared with the assessed value on the 1961 assessment roll to derive an average relationship between assessed value and market value for all locally assessed properties in the county.

If the county average is found to be in substantial conformity with the average for the whole state, no adjustment of assessed values will be needed. If it is far out of line, all secured roll assessed values in the county will be changed by whatever percentage is required to bring the county-wide average into conformity with the statewide average.

"Over $160 million of aid for school operating expenses will be paid out of the state's general fund to school districts next year under formulas which require the findings of these county averages," said Reilly. "The total amount of state aid is not affected by assessed or market values, but the way in which the total is shared by the state's 1700 school districts is dependent upon these findings."

Also involved is the extent of repayment to the state of construction loans to school districts. Under authorization of the voters, the state has made or will soon make loans of this sort totaling nearly a billion dollars.

## Auto Registration Renewal Deadline Set February 4

Motorists throughout the state this week are receiving reminder statements mailed from the Department of Motor Vehicles, to renew their auto registrations for 1961 on or before next February 4.

Applications for the red sticker that must be attached to the rear plate will be processed at 138 permanent DMV offices, some 25 special offices served by traveling crews of motor vehicle representatives, nearly 200 auto club branch offices serving organization members, and 145 temporary registration renewal stations in banks in the metropolitan areas of the State, beginning January 3.

The only new feature of the statement forms this year is a point to be punched by the vehicle owner if he has changed his address from that shown on the card. Directions on the statement show where the corrected new address should be written in. The punching of the cards for the change will speed the filing of the corrected records, Department officials said.

Fee statements for commercial vehicles and trailer coaches were mailed December 1.

# Daly City Donations Urged In Capuchino Band Trip Project

Daly City residents can contribute to the Capuchino High School band fund drive in an effort that will climax the first two weeks of January here.

Thomas Noonan, Daly City chairman for the Aid Capuchino Drive, said efforts have been initiated to invite the Capuchino band to perform at Westlake Shopping center next month—prior to their trip to Washington, D.C., to march in the inauguration parade.

The Bay Area-wide drive to raise funds for the Capuchino trip has mustered a total of $20,000 to date. The "minimum" goal is $40,000—cost of plane transportation and accommodations for the bandsmen.

"Dimes or dollars—all donations are welcome," urged Noonan, who has Councilman Joseph Verducci and Ron Mangeans, president of the North End Democratic Club, assisting him in the Daly City area fund solicitations.

Noonan said tin can containers will be placed in all local stores and business establishments and "we think we can raise at least $1000 here."

The Capuchino band and the St. Mary's Chinese Drum and Bugle Corps of San Francisco will represent the state of California in the parade marking the debut of President-elect John F. Kennedy.

The Chinese unit has scheduled a performance at Stonestown Shopping Center as one feature of its fund appeal.

Noonan said, "since Capuchino is a San Mateo County school, it is only fitting that all Peninsula residents do as much as they can to assist the project."

To date, response has been exceptional.

"But the Capuchino kids still need about $20,000 more before mid-January," Noonan concluded.

Donations via check should be addressed to: "Capuchino Band Drive, 478 El Dorado drive, Daly City."

For more information, call PL 6-0726, or the main headquarters for the drive, JU 8-6300.

GEORGE J. MONICA

# MEXICAN-AMERICAN ASSOCIATION SUPPORTS PALO ALTO RESIDENT FOR YOUTH AGENCY APPOINTMENT

Julius F. Castelan, former city engineer of Daly City and long-time north county Democratic party campaigner, today announced that the 1000-member Mexican-American Political Association of California has unanimously endorsed Palo Alto resident George J. Monica for appointment to the California Youth Authority next spring.

Governor Edmund G. (Pat) Brown is considering several candidates for the $18,500 a year assignment, including Daly City Councilman Bob St. Clair, captain of the San Francisco 49ers who lives in Westlake.

Castelan said the M.A.P.A. group, meeting recently in San Francisco, has forwarded a letter to Governor Brown urging the appointment of 38-year-old Monica, who currently is a supervising parole agent of the Youth Authority with offices in San Francisco. Monica, father of five children, has been with the Youth Authority since 1953.

Born in Emporia, Kansas, he served in the Pacific theater of operations during World War II as a Navy radioman. He holds an A.B. degree in psychology from University of California (Berkeley), a master's degree in psychiatric social work at UC, attended U.S.F. where he studied law, and did advanced work in personnel administration at San Diego State College.

Among Monica's many special assignments have been a survey of Oregon state juvenile parole services for the National Probation and Parole Association in 1958; a survey of the Oregon state juvenile court and probation system, and serving as American consultant in a survey on crime and delinquency in Brazil, Mexico, Guatemala, Costa Rica and Equador, for the U.S. Department of State, during 1960.

The Mexican-American unit, formed last year, has as its objective taking an active part in backing qualified candidates for public office, Castelan said. M.A.P.A., with a potential membership of 800,000 Mexican-Americans in the state of California, initiated the "Viva Kennedy" drive during the recent U.S. presidential campaign.

# Local Students Compete For Scholarships

High school science and mathematics students who will be in line for over $2,000 in scholarships have been selected, according to Dr. H. C. Ries, chairman of the Engineers' Week scholarship committee.

The students, over fifty of them, have been selected by their schools as the outstanding science or mathematics student. Each student will be interviewed by a group of prominent local engineers who will make final selections of students for each of the ten zones. The ten zone winners will be interviewed in January at the University of California.

Winner of the $1,000 National Engineers' Week scholarship will be named along with the $600 runners-up scholarships at the banquet at the Sheraton-Palace Hotel on February 23.

Dr. Ries said that each zone winner will receive a suitable award at the banquet. The winner from each school will receive a certificate denoting his achievement.

Engineers' Week is held annually during the week of Washington's birthday to honor the engineering profession and America's future engineers. It is proclaimed locally by the Bay Area's mayors and supported by local industries and engineering societies.

Dr. Ries announced, among local winners and their schools, the following:

Eileen Marie Hawker, 118 Garces drive, San Francisco: Jefferson High School; Ronald M. Townsend, 707 Thornhill drive, Colma: Westmoor High School; and Dennis John Lowe, 225 Verano drive, South San Francisco: South San Francisco High School.

## New Social Security Law Brings More Survivor Benefits

Social Security benefits may now be paid to survivors of workers who died before January 1, 1940, if the worker had at least a year and a half of social security work when he died, says Mrs. Mercia Leton Kahn, district manager of the Social Security Administration.

Before the social security amendments of 1960, no monthly benefits were payable to the survivors of a worker who died before 1940.

Under the new law, if a worker had social security credit for at least a year and a half, benefits may now be payable to his widow (and dependent mother) if age 62 or older, to his dependent father at age 65, and to his disabled children if they became disabled before they reached age 18. This is true even if the family had collected the "lump sum" at the time the family breadwinner died.

For further information regarding this new provision, get in touch with your social security office. The office at 761 outh Van Ness avenue, San Francisco, serves residents of Daly City, Colma, and Pacifica.

## St. Francis Heights Association Meets To Preview Plans

Final business session of 1960 will be held by the St. Francis Heights Improvement Association this Friday, December 30, at 8 p.m., in Daniel Webster School auditorium, 425 El Dorado drive, Daly City.

Thomas F. Noonan, Association president, said important matters pertaining to Daly City and St. Francis Heights in the coming 12 months would be discussed.

NORTHRIDGE RESIDENCE

# Schoolteacher's Display Earns Grand Prize of $100, Trophy In Westlake's Yule Contest

Winner of the grand prize—$100 cash and a handsome trophy—in Westlake Improvement Association's 1960 Christmas decorations contest is the Donald W. Johnson family of 28 Northridge drive in the Palisades.

Their "picture frame" entry won the unanimous vote of the judges last Wednesday night.

The Johnsons and 19 other winners will be awarded at a banquet on January 12 at The Steak Pit restaurant.

Mr. Johnson, 29, teaches the sixth grade at Commodore Sloat School in San Francisco. He and his wife, Alice, a native of San Mateo, are the parents of Paul, age 3.

They won an award two years ago in the Westlake competition but didn't enter last year "because we were in England on a special teaching leave."

The six residents of Wilshire court again triumphed in the most-consecutive-homes display category. These folks are W. H. Warrens, Arthur Sammann, Helen Dahlgren, Mrs. Reana Hart, Fred Bertetta and Ernest Gehrmann.

Voted the top award for best outdoor display was Oscar Furtado, the perennial "Santa Claus" at 40 Pinehaven drive.

The best window decoration honor went to Rubin L. Fuhrman, 697 South Mayfair avenue.

Other prize winners:

OUTDOOR DECORATIONS—Bertetta, 10 Wilshire court; Gehrman, 12 Wilshire court; Albert Rivera Jr., 60 Eaton avenue; Robert Thomson, 149 Glenwood avenue; Joseph C. Brandi Jr., 436 Higate drive; Ernest J. Padilla, 955 Southgate, and J. F. Bernou, 32 Eaton avenue.

WINDOW — John Fabianovich, 383 Glenwood avenue; Clifford Casey, 5 Creston avenue; Michael J. Kelly, 50 Fernwood avenue; Alma Burke Richardson, 1101 Southgate avenue; Mrs. Albert T. Fambrini, 30 Fairway drive, and Charles Maroosis, 699 South Mayfair avenue.

The judging was by Mayor Frank Pacelli, Superior Court Judge Frank Blum, City Clerk Evelyn Mosman, and Roy Hurlbert of the Westlake Times.

Virgil P. Anderson, WSIA director, was chairman of the annual contest sponsored by the Association.

# Facts On Income Tax

Form 1040A is the simple tax return. You can use this form if your income was less than $10,000 and was wages reported on W-2s and not more than $200 of income from other wages, dividends, and interest.

You may not use form 1040A if you: Had other income; Claim status as Head of Household; Claim status as Surviving Spouse; Claim credit for Retirement income; Claim credit for Dividends; Are delinquent in filing your return; Claim exclusion for Sick Pay; Do not use the cash method; Use a fiscal year; Paid an Estimated Tax during the year; Are subject to the Self-Employment tax; Itemize deductions, or your spouse itemizes; Claim travel, transportation, or other expenses; Are a nonresident alien.

If you use form 1040A and your income is under $5,000 you may fill it out and determine the tax yourself from the tax table or the District Director will determine your tax for you. If the District Director figures your tax and sends you a bill, this will naturally give you a little longer to pay any tax you may owe. You will be charged interest from April 15, 1961 to the date of payment.

Husband and wife can file a joint return on form 1040A if their combined income does not exceed $10,000.

By using form 1040A you automatically claim the standard 10% deduction for personal expenses like contributions, interest, taxes, medical expenses and so on. If your allowable deductions for these items is over 10% of your income you should use form 1040 or 1040W.

You are expected to pay your income tax on the basis of the lowest figure possible; therefore, you should choose the form that results in the lowest tax for you.

# AROUND TOWN

By ROY HURLBERT

HEARTY souls these Daly City anniversary planners.

Tuesday at 7:30 ayem they assembled at Westlake Bowl for another session. Introduced was Dr. Fenton McKenna, head of the creative arts division of San Francisco State College. He'll supervise the activities of several college groups which will participate in Daly City's pageant.

THE 18-year-old Westmoor High student from Pacific Heights who last week killed a 53-year-old woman in San Bruno faces a first degree murder charge.

State law says a person under 18 is a "juvenile" and cannot be executed for a crime. Young Stout was 18 on December 10, this year—thus he is "eligible" for the maximum penalty, death in the gas chamber.

★ ★ ★

DECEMBER 25 brought more than Christmas mail to Emory Schoolcraft, president of the Westlake Improvement Association. He has received bushels of letters from all over Northern California since the feud over the Jack Klein lawn erupted.

This is one tribute to the readership of Bay Area newspapers. Every conceivable angle was exhausted on the Westlake turmoil.

★ ★ ★

SPEAKING of letters, Superior Judge Frank Blum, former city attorney of Daly City, gets all kinds, as do his colleagues on the bench. Blum has received at least four death threats from anonymous folks who apparently don't see eye to eye on enforcement of the law.

DOWN in San Bruno, the council has told a prominent builder in no uncertain terms that if he doesn't agree to the proper price for a five-acre park site they'll go to court and acquire the property by condemnation.

The developer wants $8000 an acre plus $75,000 for grading the park site.

STATE appraisers have been in Daly Ctiy the past month checking land off Junipero Serra where the freeway will be routed about four years hence.

Residents are advised not to obstruct these state personnel. They're merely doing their jobs. After all, they aren't revenue agents looking for moonshine.

★ ★ ★

COUNCILMAN Emilio Cortesi of South San Francisco again has warmed the hearts of the county's newsmen with his recent announcement that he won't attend council study sessions "because everything I want to say I can say in public."

Cortesi, true to form, still has his four council colleagues guessing on every major issue.

This makes politics more interesting, to say the least.

★ ★ ★

CERTAIN individuals still are rumoring recall against "a number" of Daly City councilmen.

If a recall attempt does materialize, Daly City will have a calendar flooded with election campaigning next year.

On February 7 is the double-barrel school bonds election. In April will be the school trustee elections. The county plans a charter revisions election. Add to these the pre-1962 Daly City municipal election maneuverings and 1961 should be extremely noteworthy.

The topper will be the city's 50th birthday celebration in October. That is, if there are any survivors!

COULD be you're like us and tend to temper your New Year's gaiety because there's so much good football action on TV The Morning After and you'd like to be awake and alert to watch the pigskinners.

# City Of Hope's T.S.S.F. Chapter Plans Installation Event Here

The 22nd annual installation and dance of the T.S.S.L. Chapter of the City of Hope will be held Saturday evening at 8 p.m., January 7, at Westlake Auditorium, 331 Park Plaza drive, Daly City.

Installation chairman is Mrs. Edward Mann. Judge Alvin Weinberger is the installing officer and Mr. Harry Berenstein the installing marshal.

The officers elected to serve the chapter for the coming year are: Harry Braunstein, president; Edward H. Mann, first vice president; Harold Groner, second vice president; Louis Goldberg, treasurer; Lillian Brennan, financial secretary; Lillian Mann, recording secretary; Dorothea Diamond, corresponding secretary; Sonya Tanner, Minerva Heller, Lois Fried and Saul Kahn, trustees, and Edward O. Davis, counselor.

The City of Hope, free nonsectarian national medical center, is waging war against catastrophic diseases — cancer, leukemia, tuberculosis, Hodgkin's disease and heart ailments amenable to surgery. Treatment, research and medical education facilities are combined in a crusade for America's health. No patient pays for any of the services necessary for treatment, regardless of length of stay or cost involved.

Following the formalities of the installation there will be an evening of dancing to the music of Paul Law's orchestra.

# Many Holiday Activities At B'moor Church

The congregation of Broadmoor Presbyterian Church has celebrated this holiday season with special events. There was the evening Christmas music program presented by the Youth and Adult Choirs directed by Delmar Severy. There was the Sunday School Christmas program with all departments participating and contributing to "Operation Santa Claus" as led by John Rued, general superintendent. The Junior Choir sang at this program. Also, the Youth Choir sang a program for television over KPIX.

The High School Youth went caroling and the various church organizations including the Women's Association, the Ladies' Circles, the Scout groups and some Sunday School departments held Christmas partimes. Christmas worship services weer held the last three Sunday mornings of December also along with the two Sunday School sessions.

Looking ahead, the congregation plans a Family Night potluck supper and program this New Year's Eve, December 31, at 6:30 p.m. Each family brings table service and food. Kodachrome pictures will be shown by the Henry Suenderman family of their summer trip trip from Arizona into Canada, and the pastor, Herbert Tweedie, will bring a New Year's devotional to end the program by 8:30. This Sunday a New Year's message will be preached by the pastor at the 9:30 and 11 a.m. worship services with the Sunday School pupils receiving new study materials for the beginning of the winter quarter. The Women's Association, led by Kay Mattson, holds its monthly meeting as a potluck supper at 6:30 next Tuesday, January 3, with a program on Brazil. Then, on Friday, January 6, the Voyagers Mariners for couples holds an officer installation dinner at the Red Chimney in Stonestown. Those interested in such activities and associations are invited.

"Around the World in 80 Minutes" is the title of the skit to be presented by Skyline B'nai B'rith Women at their Champagne Membership Tea to be held on Tuesday evening, January 10, 8 p.m. at Lake Merced Sports Center, Skyline boulevard.

Participating in the skit will be the Mesdames Raymond Clarfield, George Ehrlich, Bernard Feinberg, Herbert Gross, Jack Kramer, Leonard Mayer, Allan Miller and Norman Tauber.

Mrs. Norman Steinberg, program coordinator, will be assisted by the Mesdames Richard Fishel, Fred Gruen, Irving Posman and Sidney Stein.

The women will be honored to have as their guests Mrs. Harry Tauber, 2nd Vice President, District No. 4 and Mrs. Joseph Gilbert, President Greater San Francisco Council.

Of utmost importance on the program will be the initiation of new members. Mrs. Robert Wrisley, Membership Chairman, will be in charge of the initiating program assisted by the Mesdames William Gitlitz, Jerome Shain and Harold Skootsky.

Those members to be initiated include the Mesdames Harold Davis, George Erlich, Seymour Eichler, Harold Goldman, David Hoffman, Harold Leyton, Allan Miller, John Pollet, Thomas Resnick, Jacob Siegel and Herman Siskind.

Refreshments have been arranged by Mrs. Robert Stein.

Members, prospective members and guests are cordially invited to join together for a most entertaining and enjoyable evening.

Those desiring further information may telephone Mrs. Steinberg at PL 5-7752.

MRS. J. B. WEINER of Daly City (left) receives her Heart Sunday city appointment from Mrs. Norman Otto of San Bruno, north county Heart Sunday chairman. The Heart Sunday drive will be conducted February 22-26. Eight hundred volunteers from Daly City will be conducting their personal campaign against heart disease when they call on their neighbors during February.

# Donations Folders In The Mail Open The 'New March Of Dimes'

More than 100,000 donations folders for the 1961 "New March of Dimes" campaign during January will be mailed out this weekend, officially starting the drive for funds to help fight crippling diseases.

"We feel these contributions mailed in these folders represent the generous spirit of our neighbors donating to help in this great public health program," according to James J. Kehoe, chairman of the San Mateo County chapter of The National Foundation.

Kehoe, also serving as director of the 96 campaign, added that "polio remains our first concern as always, but in the expanded health program of The National Foundation the New March of Dimes drive for funds also will support both rheumatoid arthritis and birth defects intensive research now."

"If the medical scientists can do-a-polio on these two cripplers of many thousands a year," Chairman Kehoe said, "it will be a great boon to us all."

Other phases of the 1961 campaign he outlined include special gifts to the "New March of Dimes" by individuals in the county, and benefit events given by clubs, donations by labor and employers in business and industry.

The 1961 campaign will climax on Tuesday, January 31, the evening of the great "Mothers March" to every home and apartment in San Mateo County, Kehoe said.

# Card Party To Feature YWCA's Monthly Show

"It's in the Cards," for you and your friends on January 12 from 12 to 3, when the YWCA of North San Mateo County presents its monthly fashion show and luncheon.

As you can see by the theme, this January event is designed for the card-conscious ladies of the community. Be it canasta, bridge, rummy, pedro, whist or any other popular game, you'll be able to play to your heart's content following the delicious noon luncheon. During the lunch, Grants of Westlake will present the latest in children's and ladies' fashions. An added attraction will be a showing of prizes for bridge parties.

"Make up a foursome for your own table," urges chairman Ann Johnson. Mrs. Johnson is also chairman of the Friday YWCA Bridge Club at Westlake Bowl. Her co-chairman for the luncheon and card party is Marge Ross, and assisting will be Sylvia Feder.

Reservations are necessary and can be made by phoning the Y at PL 6-7370. Reservations are limited.

# Highway Patrol Warns Drivers

Holidays may be happy days, but highways aren't necessarily happy ways, especially during those happy holidays, warned Capt. John W. Kennedy, commander of the California Highway Patrol's Redwood City Area, today.

"Despite the traditional joy of the Yuletide and New Year's seasons, the fact remains that an estimated 82 persons may die in California traffic accidents during the two holidays," Capt. Kennedy said.

"The Patrol will attempt to disprove that estimate. Our strength in the field will be maintained at maximum level during both holiday periods.

"We will be especially alert for the drinking driver, and strong emphasis also will be placed on enforcing against those violations which cause the most accidents.

"Despite this, the main duty lies with the public. Each driver must realize that after drinking an alcoholic beverage he becomes a danger to himself and to every motorist on the road if he gets behind the wheel of a car.

"Don't start the new year with tragedy. During the season when courtesy and good neighborliness are the bywords of your personal relationships, exhibit both on the highways," said the captain.

## Prudential Honors Agent For 1960 Sales And Service

Albert S. Lesch, 11 Westline drive, Westlake Terrace, has been honored by Prudential Insurance Co. for "outstanding sales and service activities during 1960," according to Lou Lavine, manager of the company's San Francisco South district agency.

Lesch has sold and serviced more than $1,000,000 of life insurance to residents of this area during the year.

"This achievement establishes Lesch as one of the leading life underwriters in the nation," Lavine said. "Only a few of the country's hundreds of thousands of agents ever attain that mark during a year's time."

A native of Ft. Wayne, Ind., Lesch attended public schools in Portland, Oregon. He retired in 1957 with rank of major after serving 22 years with the U.S. Army, and joined the local Prudential agency the same year.

Mr. and Mrs. Lesch have two children, Susan, 12, and Cynthia, 9.

## Muni Railway Plans Additional Service On New Year's Eve

Additional service for New Year's Eve celebrants has been scheduled by the Municipal Railway of San Francisco.

Additional service will be provided on major Muni lines for the accommodation of those who plan to be out and about later than usual in order to welcome the New Year, and close supervision of the late runs will be made by line inspectors.

The railway's Central Information Bureau (FIllmore 6-5656) will remain open until midnight to answer telephone calls pertaining to the late service, and the telephone switchboard will be in operation all night to channel post-midnight calls for passenger service information to division

## Recreation Dept. Sends Carolers Thru Neighborhood

A part of the Daly City Recreation Department's Christmas program brought the Christmas spirit to several areas of the community on December 21, 22, and 23. Groups of caroling children from several playgrounds traveled throughout their neighborhoods singing all the old Christmas favorites.

Following the singing, true Christmas spirit was observed by several of the children's parents. These parents opened their homes to all the children for Christmas parties as a reward for their efforts.

PLAZA Station's Christmas Decoration Committee take a few moments off from the Pacific Telephone Company switchboard to pose by their office tree. With them is Frank Riddle, commercial office manager. Funds covering decorations, party supplies, gifts and flowers are contributed by the employees, who call themselves the "Plaza Dolls Cheerio Group." The "Dolls" have purchased and sent gifts to ailing fellow staff-members. From left to right: Thelma McClarty, Bayshore City; Agnes Seguk, Daly City; Barbara Carter, Pacific Telephone's "Miss Telephone Voice" of 1960; Riddle; Kitty Sherron, San Mateo; and Josephine Fleischauer, Colma.

# YWCA Class Sign-ups Here Start January 6

Friday, January 6, is the day to register at the Westlake Clubhouse for all YWCA classes in North San Mateo County. All the Y classes start the week of January 9 and early registrations are encouraged.

Included in the registering will be tiny tot, teenage, and all adult classes sponsored by the YWCA of North San Mateo County. It is important to not only bring the class fee, but also membership dues if it is not up to date.

Westlake Bowl is furnishing free coffee for the 10 a.m. to 2 p.m. registration, and Y director Elaine Wolfe encourages all interested women to come and bring the kiddies.

# TV and Radio

By Mona Baker

Poetry in pictures — delicate ferns, placid lakes, fog-wreathed mountains, serene countryside all brought to you through the television screen in one of KQED's newest and certainly most creative programs which premieres this week. Titled "Photography — The Incisive Art," and starring the dean of photographers, Ansel Adams, the program had been produced for the national educational network by Channel 9 and will be seen on 50 stations throughout the nation in addition to KQED.

Three years of painstaking research and preparation lies behind the new series which is a superb production. There are several unique features about the show. Both still and moving photography is so skillfully combined the program seems to flow. The musical background furthers the mood of complete serenity created by the program. The famed photographer, who is also a concert pianist, plays the piano behind the scenes for the opening and closing of the show.

Mr. Adams, who attended the press preview, proved to be a most gracious person to interview. Besides being one of the world's foremost photographers he is also a noted author and teacher. In answer to our question he said that the program is his first continuing series on television. In discussing photography he commented that "he liked black and white better than color." He also made the extremely wise observation, "a photograph ought to be looked at like a musical composition is listened to."

KQED has wisely scheduled a three-times weekly showing (Wed. 9:30 p.m., Thurs. 4 p.m. and Fri. 8 p.m.). There are only five programs in the series—we urge you not to miss any of them!

## Academy Diploma For Daly City Highway Patrolman

Traffic Officer Kenneth Forster of the California Highway Patrol's San Francisco area office, has completed a 10-day, in-service training course at the patrol's Sacramento Academy.

A patrolman for four years, Officer Forster resides in Daly City at 15 Eaton avenue.

Among classes in the refresher training were accident investigation, laws of arrest, first aid, emergency vehicle operation, weapons, and related subjects.

# Holy Angels Guild Women Meet Next Week To Plan Spring Show

Final plans for the Holy Angels Women's Guild spring luncheon and fashion show, to be held on February 4 at the Mark Hopkins Hotel, will be discussed at the January 4 meeting of the Guild.

Mrs. T. J. Gaffney, chairman of the event, has announced that reservations may be made with Mrs. A. G. Barnoli, 7 Randall court, Colma, PL 5-0973, or Mrs. Hugh Alderdice, 719 Washington street, Colma, PL 6-2689.

Plans for the Guild's annual rummage sale will be discussed at this meeting. Mrs. S. Lockie, chairman of the sale, has announced the date as March 22. Members of the Guild will be at the Holy Angels School on Mondays from 1 to 2 p.m. to accept items donated for the rummage.

Another highlight of this January meeting will be a cosmetic demonstration by Muriel Thompson of Vivian Woodward Cosmetics. Several members of the Guild will be chosen as subjects for this demonstration.

Refreshments will be served after the 8 o'clock meeting in the parish hall by mothers of the fourth grade pupils.

All women of the parish are invited to attend.

# Daly City Sea Scout Ship 'Pipes' More Aboard Via Recruiting Drive

Through an intensified recruiting campaign, brought about by acquiring new sailing equipment, the Daly City Sea Scouts have just doubled their membership.

The group, most of them from Westmoor High School, is sponsored by the Westlake Subdivisions Improvement Association, and the ship is skippered by Westlaker Bob Gunthorp.

The unit has just been subdivided into four crews, replacing the previous two. Each crew has been assigned a sailboat, with complete latitude in its usage and upkeep given to the crew leaders. A racing sloop has been reserved for use by the ship's officers and senior petty officers, and the pulling boat is being maintained by the senior petty officers.

The Westlake Sea Scouts now have the largest small boat sailing flotilla in California with their pulling boat, three Scouter Class sailboats, and two racing sloops.

Their Sea Scout Ship, named Admiral Chester Nimitz, is based at Lake Merced. There are continuous activities undertaken, one of the latest being launching of the pulling boat into heavy surf at Princeton, and another being participation in a Bay cruise aboard Henry Doelger's yacht Westlake II.

"We expect to have a membership of at least 60 young men by March 1," said Gunthorp, "and with our large flotilla available to them, we certainly have room for more lads. Dues are a nominal 25 cents per month and the registration fee is $1 annually. For $4 a year, each member gets all the sailing he wants. Membership in this unit is one of the finest bargains in boating today."

Interested young men of high school age may apply for membership by contacting junior officers Bruce Wilson at PL 5-1461 or Bob Bender at PL 5-6835.

## Ex-Submariners May Re-enlist At Former Rank

The Navy Department announced recently that a directive has been issued listing "open rates" in which certain personnel who were qualified and designated for submarine duty, and who reenlist within three years from date of discharge or release to inactive duty, may reenlist in the regular Navy in the rate held at time of discharge or release to inactive duty.

Former personnel discharged or released from active duty in the regular Navy, or individuals last discharged or released from a tour of not less than two years of continuous active naval service while a member of the Naval Reserve, and were designated as qualified for submarine duty at the time of discharge or release, may be eligible for reenlistment.

"Qualified in Submarine" designator must be indicated on the Armed Forces of the United States Report of Transfer or Discharge (DD-214) issued at the time of last discharge or release.

All applicants for enlistment or reenlistment in accordance with this directive must be qualified for enlistment or reenlistment in all respects.

Individuals who meet the elegibility requirements may be enlisted or reenlisted in the regular Navy in the rate held at time of discharge or release to inactive duty. This program will terminate on June 30, 1961.

For more information about this unusual opportunity, see the Navy recruiter, 6705 Mission street, Daly City, phone PL 6-3740.

## Vandals Smash School Windows

Vandals smashed 12 windows of Woodrow Wilson Elementary School's administration building last weekend.

A police officer on routine patrol discovered the damage at 5 a.m. Sunday. He found two front door windows and ten wall windows smashed on on the west side of the building. An examination of the interior of the building revealed no evidence of burglary. All inside doors except one had been locked Friday.

No estimate of damage has been made.

## VA Explains Treatment Of Vet Outpatients

San Mateo County Veterans' Service Officer, Floyd D. Granger, said today that outpatient medical service for veterans is possible under a recent law (PL 86-639), before and after actual VA hospitalization, for nonservice-connected disabilities.

Such outpatient treatment, on a no-fee basis by VA hospitals, may be provided before admission to the hospital if a determination has been made that the veteran needs hospital care and if he actually has been scheduled for admission.

Outpatient care may also be provided after hospital care, if it is reasonably necessary to complete treatment incident to such hospital care. The new law provides that follow-up care may be provided up to one year from the date of hospital discharge.

Outpatient service in preparation for admission may be furnished only after a decision is made that hospital care is actually required, the veteran has reported to the admitting hospital, and an examination to determine need for hospital treatment has been completed.

Dental appliances, wheelchairs, artificial limbs, etc., may not be furnished outpatients before hospital admission, but can be furnished after hospital treatment along with such other services necessary to complete the hospital care.

The service officer said that in most cases, outpatient care will be furnished by the hospital where the veteran was a patient. However, the VA has indicated that an agreement between two VA hospitals may be made so that the hospital nearest the veteran's home may give him follow-up care on an outpatient basis.

# St. Francis Hts. Mom Wins Prize For Best Outdoor Chrisimas Display

A plucky St. Francis Heights housewife who has been a victim of multiple sclerosis since 1950, and has given birth to two children while still afflicted, added to her list of achievements by having her Yuletide home decoration selected as top winner in the annual Outdoor Christmas Decorating Contest sponsored by the St. Francis Heights Improvement Association.

She is Mrs. Robert M. Solovieff of 430 El Dorado drive, Daly City. Teaming with her husband, Mrs. Solovieff planned the title winning display. Despite braces, she daily manages her own household and personally handles the feeding and clothing of two frisky kiddies. The oldest is nine years; the latest addition is 12 months.

Maria Von Ridelstein and Marjorie Connell, noted artists of the Society of Western Artists, served as a two-man jury in making the award to Mr. and Mrs. Solovieff. Both judges are S.F. residents and completely unaware of Mrs. Solovieff's affliction. They judged solely from a position of total artistic effect and with no sympathetic motives.

They then selected the home of Paris Roya, 467 St. Francis boulevard, for Second Best All Around Effect, and gave third prize to Donald Bevilaqua, 182 Camelia avenue, for Third Best All Around Effect. Sabin Eastman, 132 St. Francis boulevard, carried off fourth award for the Most Original Display, and Ernest Bloom, 27 Midvale, won fifth category for Best Traditional Motif. Best Religious Theme prize was taken by Holger Anderson, 35 Castelejo Way; Mr. and Mrs. Frank Costello, 182 Santa Paula avenue, captured seventh and final major prize for Best Lighting Arrangement.

Judges Von Ridelstein and Connell selected a score of notably decorated homes for Honorable Mention. These were: E. L. Mechan, 40 Cerro; Robert J. Hughes, 261 Buena Vista; Frank T. Linney, 245 St. Catherine avenue; Phyllis Meilicke, 38 Peralta; Tibby Torres, 254 St. Catherine avenue; Gordon D. Raeside, 259 St. Catherine avenue; Nick A. Semenoff, 231 Verano; Richard L. Botta, 217 Del Prado; Mrs. Michel Millane, 8 San Miguel; Arthur Baumgardner, 428 Lakeshire drive; Michael Amaroso, 110 Miranda; Roger S. Murray, 82 San Miguel; Robert Biagini, 140 Mirada; Reino Anderson, 271 Alta Loma; Albert Rudolph, 265 Verano; Leon Levine, 116 Mirada; E. G. Canaday, 222 St. Catherine avenue; Alfred W. Ball, 284 San Fernando Way; A. Murray, 709 St. Francis boulevard; and Robert Northrop, 253 Campana avenue.

The two judges took time off from an art exhibit hanging sponsored by the Society of Western Artists in the Jack Tar Hotel lobby, San Francisco, to conduct the appraisal for the St. Francis Heights Association.

# Temple Judea's End-Of-Year Awards Friday

At the conclusion of each year, various organizations award those in their fields for particular performances. This Friday evening, December 30, at 8:30 p.m. in the Temple House, 95 South Mayfair avenue in Westlake, Rabbi Robert W. Shapiro will choose individuals to whom awards should be given "for their moral and ethical performance in society."

A reception in honor of 40 new families recently was held at the home of Mrs. Arnold Beinner, following a special service in their honor. They joined together with Rabbi Shapiro, President Max Rudorfer, and Mrs. Beinner, chairman, for an orientation oneg-shabbat.

Children of new families in Temple Judea are being integrated into the Religious School classrooms Sunday morning, January 8, following a mid-season vacation on January 1. All those who wish to enroll their children should do so on January 8.

The Men's Club of Temple Judea will present its first breakfast of the year on Sunday, January 8, from 10:15 a.m. to 11:45 a.m. The program will be presented by John Wahl of Panorama Travel Agency. The mythical trip around the world will feature the state of Israel. Members of the Men's Club and friends are invited to attend.

## ALIEN ADDRESS REPORT FORMS NOW AVAILABLE

Immigration officials announced today that alien address report forms are available at the Immigration Offices at San Francisco, Sacramento and Fresno, and local post offices for the convenience of the more than 220,000 aliens expected to report their addresses to the Government in compliance with the law.

Charles J. Beechie, District Director of the Immigration and Naturalization Service pointed out that it is important for each non-citizen to report his address to the Government each January because of penalties for noncompliance.

"A willful violation," he said, "can bring a fine of up to $200, a jail sentence, and deportation. To avoid possibility of penalty, each alien should go to the nearest Immigration Office or post office during January, obtain an address report form, and return the card to the clerk after completing it."

The Immigration official stressed that registration cards should not be mailed, but that they should be handed to a clerk in the office where obtained.

The announcement followed a statement from Washington in which the Commissioner of Immigration and Naturalization reminded aliens in the United States of the address report requirement.

In his statement, the Commissioner stated that the only non-citizens exempt from the address report requirement are persons in diplomatic status, foreign representatives in the United Nations, and Mexican contract laborers.

Any non-citizen outside the country during January is required to file the report within 10 days of his return.

## Sorority Women Assist Firemen In Toy Drive

The Nu Sigma Chapter of Beta Sigma Phi, national women's sorority, in Daly City joined with members of the Daly City fire department in making possible a happy Christmas for scores of youngsters who would otherwise have a bleak holiday.

The Daly City fire station on Lake Merced boulevard has served as a depot for the collection of toys. Fire Department personnel, assisted by members of Nu Sigma chapter, sorted hundreds of toys, games, books and dolls. The assembled boxes were delivered by the firemen on December 23 to underprivileged families.

The Nu Sigma Sorority participates annually in this program to spread Christmas cheer among underprivileged children. In addition, the chapter also supports Girl's Town in Whiteface, Texas, as well as contributing regularly to other charitable organizations.

# Westlake Catholic Women Mail 'Essence Of Shibui' Invitations

As soon as the Christmas rush was over at the Daly City Post Office, the Westlake Catholic Women came along with hundreds of invitations to their seventh annual luncheon and fashion show. The theme for the show this year is "Essence of Shibui."

Mrs. John Cresalia, president of the group, announces that Mrs. Milton Reiterman will be chairman of the day, and Mrs. John Loof will be co-chairman.

Reservations will be available on Saturday, January 7, from 10 a.m. to 4 p.m. in the parish hall of Our Lady of Mercy Church, located on Elmwood drive in Westlake.

Mrs. Frank Burns and Mrs. Lloyd Madigan, reservations chairmen, have stated that it is best to make reservations early in the day to avoid disappointment.

The fashion show and luncheon will be held on January 21 at the Fairmont Hotel in the Gold, Nob Hill and Venetian romos, and styles will be presented by H. Liebes. All proceeds will benefit the Our Lady of Mercy Building Fund.

# City of Paris Launches Weekly Fashion Shows At Stonestown

A famed San Francisco tradition moves into Stonestown Wednesday, January 4, when the Red Chimney restaurant launches the first of an exciting new series of fashion show luncheons . . . "Fashions a La Carte" . . . presented by the City of Paris.

The Red Chimney has long been a fashion show place for San Francisco women, and the new luncheon shows bring a 110-year heritage of San Francisco fashion to the West of Twin Peaks area.

The City of Paris was the first to bring fashions to San Francisco in 1850 when Felix Verdier sailed his brig, "Villa de Paris," into the Bay with a rare assortment of finery. Conversely, today the City of Paris also may lay claim to the title of the newest fashion store in the Bay Area with its newly opened store in Stonestown.

Amid a gay, festive Bon Voyage setting, the new series of weekly shows will be unveiled with cruise and resort clothes being modeled for the fashionable luncheon crowd. This also will be one of the first showings of 1961 bathing suit styles in San Francisco.

Telephone OV 1-2532 for reservations. Lunch is from noon, modeling from 12:15 p.m.

# Marian Council Gifts Sisters At 3 Schools

Marian Council Knights of Columbus, Daly City, presented to the Sisters who teach at Our Lady of Mercy, Our Lady of Perpetual Help and Holy Angels parochial schools Christmas baskets containing various delicacies.

Robert VanderPutten, deputy grand knight, was appointed by Charles Poetzl, grand Knight of Marian Council, to distribute the baskets to the Sisters. This is an annual project of the Council.

## St. Cecilia Will Hold "Father's Night"

All fathers of St. Cecilia's students are cordially invited to attend "Father's Night" at the monthly meeting of St. Cecilia's Mothers Club to be held Monday, January 9 at 8 p.m. in the school auditorium.

Mr. and Mrs. William Murphy, host and hostess for the evening, have planned entertainment and a delicious buffet supper. They will be assisted by the fifth grade mothers.

Plans for the annual Fashion Show, to be held February 7, will be announced at this meeting by Fashion Show chairman Mrs. Herman Keck. Mrs. Keck also urges all members to start making their plans for this exciting event, as invitations will be in the mail by January 5.

## Three Camp Fire Girls Groups Join For Holiday Party

Three Camp Fire Girls groups—the O-Ki-Pa-Ka, the Su-Na-Ka-Ha-Ha, and the Ha-Mu-Wo—combined to have a Christmas party at the Westlake Improvement Association clubhouse.

These sixth graders were in the Blue Bird group led by Mrs. Daryl Ober.

A Christmas tree decorated with ornaments made by the girls in their separate meetings was donated to the Villa Sanitarium after the party. After refreshments served by the guardians, the girls exchanged Christmas gifts.

Attending the party were: Karen Basket, Frederica Klemn, Kay Kramer, Vicki Ober, Peggy Riley, Karen Smith, Stephanie Sutton, Mrs. Daryl Ober, Mrs. Charles Sutton, Hazel Deacon, Christine Draves, Susan Lester, Kathryn Pomeroy, Rebecca Stammerjohn, Mrs. Ernest Draves, Vonda Crouse, Linda Floyd, Virginia Giammona, Patricia Nichols, Linda Palmer, Linda Pfitzer, Jeanne Scourkes, Roseann Yeadon, Mrs. Gus Scourkes and Mrs. William Floyd.

# Plans Made For Annual 'Shamrock Ball'

Committees have been appointed and plans have been formulated for the fourth annual "Shamrock Ball" sponsored by the Mothers' Guild, Fathers' Club and Alumni Association of Sacred Heart High School of San Francisco, on February 4 in the Palm Court of the Sheraton-Palace Hotel.

Brother V. Ngnatius, F.S.C., and Brother T. Joseph, F.S.C., are honorary chairmen, assisted by Mrs. Lewis Phillips, Joseph Markey and John Scannell.

Reservations may be made by calling OV 1-6235, LO 4-9821, or JU 4-6064. Proceeds from this ball, the one event of the year sponsored by these three groups, will be used for improvements in the school at Ellis and Franklin streets.

## Wee Ko Camp Fire Girls Host Party For Lorenz Pair

The Wee Ko Camp Fire Girls of Daly City gave a surprise Christmas party for Charlene Lorenz and her mother, Mrs. Herman Lorenz, who are moving to Millbrae. The party was held at Daly City's War Memorial Community Center.

By giving the party and preparing all the refreshments the girls were able to earn rank for Camp Fire. Mrs. Lorenz has worked with the Wee Ko Camp Fire Girls and Mrs. Arthur Waldvogel, the guardian, the past three years.

Present at the party were Cathy Chaney and Mrs. Clyde Chaney, Joanne Waldvogel and Mrs. Waldvogel, Eugenia Vinje and Mrs. Eugene Vinje, Jonnie Lahr and Mrs. Wallace Lahr, and Connie Greaser. Guests were Kathleen Rankin, Lynnea Vinje, Kathleen Jones, Mitzi Cummings, Diane Quinteros and Gail Laratondo.

## Firemen's Wives Sponsor Party For Children

Children of Daly City's firemen were treated to a Christmas party—complete with Santa Claus—at the Westlake park clubhouse. Old St. Nick arrived on a red fire truck.

Approximately 75 youngsters enjoyed the party, sponsored by the women's auxiliary of the fire department.

The affair was such a success it will be made into an annual event.

Chairman was Mrs. Keith Schrock, assisted by Mrs. Lee Hanson, LaVina DeNatale and Gracie Winters.

### BURGLAR NETS HEAVY LOAD, SMALL PROFIT

Edwin F. Lonergan, 29, of 189 Crestwood drive, returned home after a week's absence and found $50 had been taken from two coffee cans hidden in his bureau drawer. The money had been in coins of the largest and smallest possible denominations: 4000 pennies and ten silver dollars.

A burglar, police feel, had broken into Lonergan's home sometime between December 17 and December 24 when the house was vacant, and absconded with the 4010 pieces through a bedroom window.

Upon petition of the residents, the Legislature in 1876 changed the name of Dorrisville to Alturas.

## OBITUARIES

### Helen Valentino

Mrs. Helen M. Valentino, a native of Colma, died December 17 at Kaiser Foundation Hospital in South San Francisco. She was 51 years old and resided at 327 Westlake avenue, Daly City.

Mrs. Valentino was the wife of Samuel Valentino, the mother of William W. Valentino, U.S. Air Force; Mrs. Betty Rafter, Mrs. Dolores Day, Mrs. Barbara Jean Katz, and Mrs. Daine Allen.

She was the daughter of the late Henry and Mabel Lorenz, the sister of Herman Lorenz, Mrs. Alice Giho, and the late Henry Lorenz Jr. and Mrs. Hazel Lagomarsino. Also, she leaves 10 grandchildren.

Funeral services were arranged by W. C. Lasswell and Company. Following Requiem Mass at Our Lady of Perpetual Help Church, burial was at Holy Cross cemetery.

### George J. Beutler

Private funeral services were held December 21 for George J. Beutler, 361 First avenue, Daly City, who died December 18 at his home.

A native of Idaho, he lived here 17 years, was 44, a veteran of World War II, and a member of Carpenters Union Local 483.

Mr. Beutler was the husband of Ellen Beutler, the father of George J. Beutler Jr. and Milton Lyle Beutler, the son of Mr. and Mrs. Edwin A. Beutler of Grass Valley, Calif., and the brother of Ernest, Walter, Ralph, Elmer, Earl, Floyd and Carl Beutler.

W. C. Lasswell and Company handled funeral arrangements. Interment was at Golden Gate National cemetery.

### TAPE RECORDER REMOVED FROM LOCKED CAR

George Teasdale, 27, of 159 Flournoy street, Daly City, is still wondering how a burglar was able to remove a tape-recorder from his locked car and leave no evidence of forced entry.

Teasdale had placed the machine, valued at $150, inside the car at 11 p.m. on Monday of last week, and locked the door. When his wife got into the car the next morning to drive it to a San Bruno repair shop, she noticed the recorder was missing.

How the "phantom" suspect forced his way into the vehicle is what puzzles his victim and Daly City police.

## Teen-aged Girls Rough Up High School Pair

A 17-year-old Daly City high school girl reports being abused and threatened by a small band of female "toughs" last week.

The victim, who lives on Santa Barbara avenue, told police she was walking up Hillcrest drive Wednesday afternoon with a girl-friend, when five girls in rough clothes appeared and began taunting them in obscene language. The pair ignored their tormentors and continued up the hill, until one of the group advanced and said:

"We are the 'Barts' and we rule this street," then attempted to burn the jacket of one of the girls with a cigarette. A brief scuffle followed, including some hair-pulling, then one of the offenders picked her victim up and threw her against the side of a house on Santa Barbara avenue.

Bruised, the girl and her companion fled from the scene. They told police later they knew two of the group were Jefferson High School students and that they would be happy to identify them. Art Linhares, Daly City police officer, contacted one of the suspects, who appeared evasive, and, he concluded, "didn't seem to care much for the police."

Further investigation of the incident is pending.

### *Car Survives Sugar Dosage, Drives 130 Miles*

A little sugar is fine for the blood stream, lonesome ladies, horses, grapefruit and home brew; but NOT automobile gas tanks.

So feels Peter La Mantia of 121 Park Plaza drive, Westlake who discovered that someone had sweetened up his fuel mixture last weekend.

La Mantia, 26, reported to police Officer John van Otten Saturday evening that his wife had had the tank filled Friday and that during the following day the car had been driven a total of 130 miles, between Redwood City and San Francisco. On Christmas Eve when he drove into a local service station for re-fueling, La Mantia found a heavy coating of sugar around the opening of the tank. How much sugar was dumped inside has not been determined, but, according to La Mantia, the dosage has not yet put his 1955 Ford on the "sick list."

### No. Calif. Service League Branch Now Independent

At a meeting of the Board of Directors, Chairman Landis Weaver announced that the Northern California Service League of San Mateo County has now become a locally independent agency, affiliated with the Northern California Service League, San Francisco.

The League, which originally established a San Mateo County branch office in 1957 at the request of the County Board of Supervisors, works toward the development of effective rehabilitation services for misdemeanant offenders both in and out of jail. It will become a participating member of the United Crusade of San Mateo County in 1961.

Serapio R. Zalba, Jr., will be the agency's executive director. The Board of Directors will include Anthony Lavoi, Vice Chairman, Loren Beckley, Sidney Berlin, Judge Frank Blum, Judge J. A. Branson, Luther Carr, Melvin Cohn, Don Helbush, Dr. Isidore Kamin, Robert Koshland, Dr. Allen Levy, Fred Long, Wes Pomeroy, Jack Robertson, Robert Thompson, Walter Truce, Sheriff Earl Whitmore, and James Wood.

### Program On Chile Next Forum Topic At Galileo High

Galileo Adult School announces a program on "Chile" in its 1960-1961 "Around the World" forum series on Wednesday evening, January 4, at 7:30 p.m. in the Galileo Adult School Auditorium, Bay street and Van Ness avenue.

The January 4 program will feature Francis Violich, University of California, who will discuss the country, show a colored film and colored slides, and answer audience questions.

This Wednesday evening forum series, offered as a tuition-free public service of the San Francisco Public Schools, will be presented throughout the school term. For further information, telephone PR 6-5018.

STATE WARNING

# DON'T PICK UP HITCH-HIKERS--- THIS COULD LEAD TO TROUBLE!

Picking up hitchhikers continues to be one of the most hazardous acts a motorist can commit, reports the California State Automobile Association.

Despite the fact that 30 states, including California, have laws against hitchhiking, too many motorists continue to accommodate ride-seekers with little regard for the potential dangers involved.

The practice of "thumbing rides became common during World War II when servicemen were on the go and gasoline rationing and tire shortages curtailed passenger car use. Many agencies even encouraged the motorist to pick up servicemen seeking rides.

Today the situation has changed and the Department of Defense frowns upon hitchhiking by military personnel. Men in uniform are prohibited from seeking a lift except at regularly established pickup stations.

Stopping your car to give a lift to a stranger is an open invitation to trouble, warns the CSAA. Don't risk your safety or the safety of your family by picking up hitchhikers.

A problem that perplexes most drivers from time to time is what to do when a man standing beside a car at the side of the road waves for "help" as you approach. The CSAA reports that this ruse has been used by criminals to lure the unsuspecting motorist. The best way, the safe way, to render help in such a situation is to stop at the next service station or telephone and report the stranded motorist to the Highway Patrol or local police.

## Jehovah Group To Talk About SM Convention

Jehovah's Witnesses of the Daly City congregation will resume their regular schedule of meetings this week following their return from a weekend convention in San Mateo. At the service meeting set for 7:30 p.m. Thursday night, the instructions received at the three-day training conference will be discussed and applied to the house-to-house ministry and home Bible study work. Residents will benefit from this Bible instruction as the Witnesses visit many of their friends and resume their preaching in the local community.

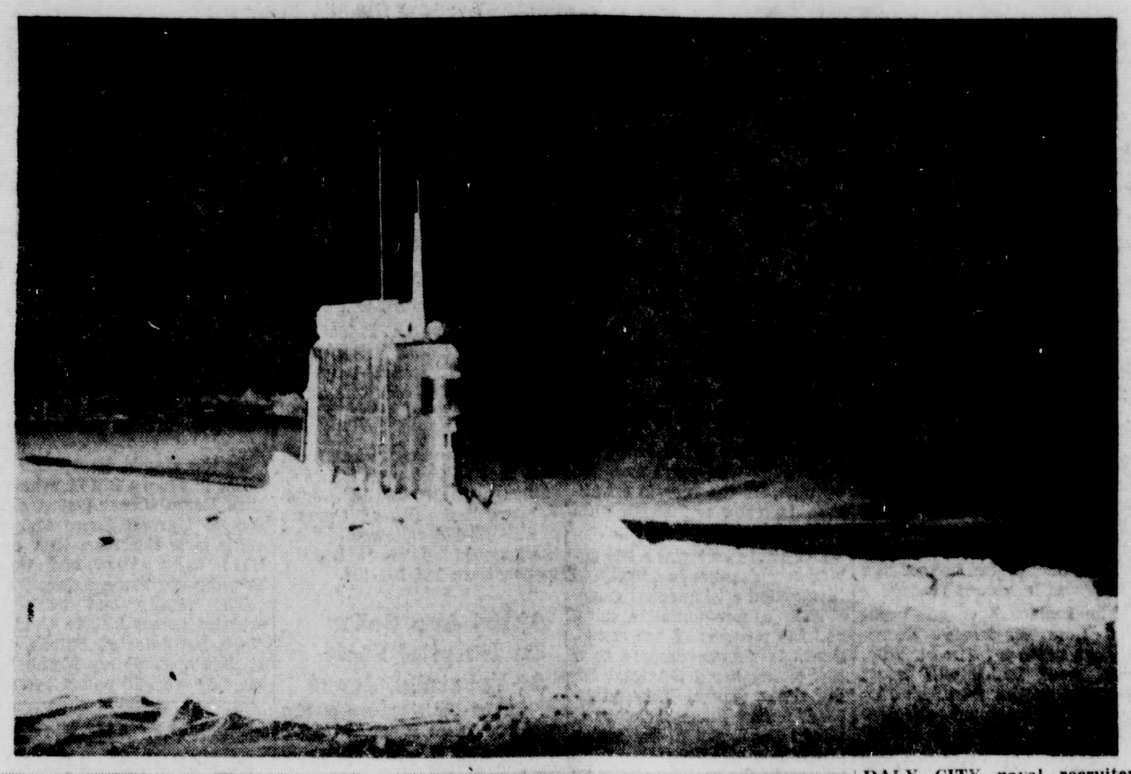

Presiding Minister Harold E. Casperson announced that the convention climaxed with 2017 in attendance at the Fiesta Building for the public Bible talk, December 25, "Is God Interested in the Affairs of Men?" District Minister Lester M. Dugan from Watchtower Headquarters in New York told the audience that "God's interest was in righteous men only."

Convention high points included the ordination ceremony of 51 new ministers on the Saturday afternoon program. Among local residents ordained were Anthony Plant and Vicki Jefferson.

Casperson extends an invitation to the local residents to attend the Bible talk scheduled for Sunday, January 1, at the Kingdom Hall, 206 Plymouth avenue. Visiting minister from the North Beach congregation in San Francisco, Robert L. Bishop, will speak at 4 p.m. on the subject, "What's This World Coming to?" All meetings are open to the public and no collections are taken.

## SOUTH SF ADULT SCHOOL OFFERS 52 CLASSES FOR NEXT QUARTER

The South San Francisco Division of Adult Education will begin its winter quarter January 3. Fifty-two classes will be offered Monday through Thursday evenings.

With another record enrollment expected, many new classes have been added. Last quarter's enrollment of near 1200 is expected to be exceeded.

Once again many nationally recognized celebrities will be part of the instructional staff. Samuel Johns, one of the most prominent chefs in the United States, who has cooked for President Eisenhower, will feature a course in food preparation. Miss Hope Robbins, nationally recognized author, radio and television personality, will conduct a special course in cosmetology.

In addition, many well known local experts will be members of the staff. Robert Miller, prominent attorney in South San Francisco, will conduct a class in business law. This class is designed to provide practical legal information involving problems faced in our day to day living. Gerald Barrick, South San Francisco lawyer and tax expert, will conduct a class in "How To Make Out Your Income Tax."

Except for food preparation, no advance registration is necessary. Registration will take place in the classroom on the first class meeting or in the main office after that date.

Additional classes will be added by request if a minimum of fifteen people will make applications for the same course. Adult classes will not be in session between December 16 and January 2.

## It's News To Vets

Q—I'm a Korea veteran, holding GI term insurance. I understand, by a recent law, I now can convert it to a permanent plan. Is this so?

A—Yes. Korea veterans holding term insurance policies with the letters "RS" before their policy numbers may either convert to permanent plan insurance or exchange for a term policy costing one-third as much.

* * *

Q—On my discharge from the Armed Forces I received a lump sum disability severance payment. Will I have to pay this back to the Government if I am awarded VA compensation for the same disability?

A—Yes. The law requires that VA monthly compensation payments revert to the Government until the amount recovered is equal to the amount of disability severance pay the veteran received.

* * *

Q—I am planning to sell my GI home but cannot pay off the loan with what cash I will receive from the new purchaser. Do I have to have VA's consent to make the sale?

A—No. You do not need VA's consent to sell your property. However, if you wish to be released from possible liability to the Government, you must apply to VA.

* * *

Q—Is it possible for a disabled "peacetime" veteran to draw VA compensation at wartime rates?

A—Yes—if the disability resulted from extra-hazardous service, as, for example, participation in simulated warfare, the veteran may be eligible for compensation at wartime rates.

## Eighth District Legion Auxiliary Announces Agenda

Eighth District, American Legion Auxiliary, will welcome Wilhelmina Gray, Department of California leadership chairman, at their first meeting in January.

The meeting will be opened by Mrs. Alpha Egan, Eighth District President, at 8:30 p.m. in room 314, War Memorial Building, Van Ness avenue and McAllister street. Other highlights of the evening's program will be short talks by Anfelina Castro, Eighth District leadership chairman; Gladys Anderson, legislation chairman of Eighth District; Elizabeth Rice, Eighth District civil defense chairman, and Frances Tomlin, Eighth District national security.

Following the program, Municipal Unit 429, hostess unit of the evening, will serve refreshments. All members and friends of Eighth District are invited to attend.

## Steven C. Hansen Hospital Corpsman At Concord Depot

Steven C. Hansen, hospital corpsman third class and the son of Mr. and Mrs. C. R. Hansen of 17 Muirwood drive, Daly City, is serving at the Naval Ammunition Depot in Concord, Calif.

He was promoted to his present rate last month.

Before entering the Navy October 1958, Hansen graduated from Jefferson High School at Daly City.

## SSF Women's Club Stage Hat Parade At Christmas Party

The annual Christmas Hi-Jinks was an event presented by the South San Francisco Woman's Club in their clubhouse during December. The enjoyable program and delicious pot-luck luncheon were two of the highlights of the day.

Robert Thorpe of the music department of the local high school presented a large choral group whose Christmas songs were representative of many lands.

Winners of the hat parade were the Mesdames Richard Solomon who wore the most beautiful hat; Robert Boston whose creation was the most original; and Joseph Cooper whose hat was chosen as the most humorous. This traditional competition shows the originality of members in creating hats in keeping with the season's decorations.

Mrs. Carl Verhagen, general program chairman, narrated the well-loved "Night Before Christmas" while a skit was enacted in pantomime. Then Mrs. Elwood Freeman, costumed as Santa, distributed the friendly exchange of gifts among the members. This was followed by community singing of favorite carols.

Lovely Christmas decorations, done by the Garden Section, were used throughout the club building beginning with stockings hanking at the fireplace in the reception hall. A decorated tree used on the stage was awarded, at the end of the festivities, to Mrs. Eddie Hoskinson.

Credit for the fine luncheon goes to Mrs. Fred Curtis and her co-chairmen, Mrs. Charley Milly and Mrs. Ruth Mobley.

## COLMA RESIDENT WAS AIR FORCE'S 'MAN OF YEAR'

Louis J. Rasmussen of 1204 Nimitz drive, Colma, a master sergeant in the Air Fore Reserve, has been assigned to the 9361st Air Reserve Squadron at Fort Miley, San Francisco. Previously he was historical technician of the 349th Troop Carrier Wing, Hamilton Air Force Base.

Rasmussen holds one of the top honors in the United States Air Force—having been elected "Airman of the Year" in 1958.

He was librarian of the San Francisco Examiner from 1946 to 1960, leaving that position to establish his own business as an historical consultant and records searcher.

## Ciampi Offers Sculpture To Fernando Rivera

Mario Ciampi, architect, has offered the Jefferson Elementary School District, a sculpture work which will be installed in the east court at Fernando Rivera School.

The District Board of Trustees, after examining a sketch and color slide of the work at a meeting Monday night, approved acceptance of the gift.

Ciampi's piece consists of a group of birds supported by 8-foot brass tubes, the tubes resting on 3-foot-high concrete bases. The architect will cover the cost of installation.

CONSOLATION CHAMPIONSHIP

# Gary Molossi, Bobby With All-Tourney Choices As Jeff Wins At Palo Alto

Jefferson High's varsity cagers captured the consolation crown in the Palo Alto Invitational Tournament last week, winning two of the three games and landing two players on the All-Tourney team.

Coach Mike Orlich's Indians — strong contender for the 1961 Peninsula League title — defeated Poly of San Francisco, 63-58, in the finale. Palo Alto decisioned Capuchino of San Bruno for the tourney championship.

Jeff's Gary Molossi and Bobby With, two seniors with all-around ability, were selected on the mythical all-tourney squad.

Molossi scored 49 points in the three games—21 of these against Poly.

The Indians' loss in the tourney was opening night to Washington of San Francisco, 50-47. The next evening the well-balanced Daly City five routed Cubberly of Palo Alto, 65-53.

"In losing to Washington in the opener," commented Orlich, "we just got off to a lousy first half."

"We could have handled anybody after that game. But both Palo Alto and Capuchino have outstanding clubs. Capuchino, in particular, should be tough to beat in our league—and it should be one of the best races in recent years."

The Indians have one practice game this week — Thursday at home against Poly. Next week Orlich will escort his boys to the Peninsula League Tournament—"a preview of better things to come."

Rich Warne's Jefferson 30's this week competed in the Menlo - Atherton Invitational. The lightweight Indians lost their debut, 61-46, to Washington of SF. Mike Schultz had 16 big points for Jeff and teammate Georgie Claus got 15.

## W'lake Bowl's Blazing Kids Setting Marks

Johnny Swanson's slick Westlake Bowl has been operational two years and the youngsters are performing like record-breakers.

Ninety-five percent of the youngsters bowling here learned from scratch on the Westlake alleys.

Here are examples of their prowess:

1. In match game competition, Bob Morrison hit a 289 game.

2. Juniors and seniors are turning in 600 series almost "consistently" now.

3. Games of 220 and above are rolled every week by at least a dozen youngsters.

4. There are more than 50 junior and senior boys who carry better than 140 averages.

5. There are 33 juniors and seniors who have averages of 150 and above.

6. Nineteen boys have 160-plus averages.

7. Fifteen-year-old Bob Cowan has four 600 series to his credit—all registered the past 2½ months.

8. The Bowl's junior - senior match game team has a winning streak of nine straight games.

9. Fifty-four members of the 26 bantam boys and girls teams sport 100 or better averages.

10. The junior match game team girls have 130 to 155 averages.

On Saturdays in the junior program, more than 200 youngsters competed in a three-hour period. Fifty-two teams are active in this program and a 10-team league for youngsters 9 and younger is being planned.

## CAMP FIRE GIRLS PLAN CANDY SALE

The North County Camp Fire Girls and Blue Bird Leaders Association will have an important meeting on Thursday, January 5, to discuss the 1961 candy sale. The meeting will be held at the Peoria street Scouthouse at 8 p.m.

This annual candy sale is vital because proceeds provide the principal means of supporting the work of the Peninsula Council of Camp Fire Girls in San Mateo County.

The candy sale will start on Friday, February 3, and continue through February 17. Mrs. Fletcher J. Vinson is canry sale chairman for the Daly City area.

## Seven Strikes In A Row Starts 13-Year-Old Pam Witt Off To A Superb 591 Series At W'lake

By Bob Sexton

A 13-year-old from the Westlake Girls Junior League has rocked the very foundations of Westlake Bowl with a stupendous series. In the Sunday Junior-Senior Mixed league, Pam Witt, who plays to a 126 average, lit the fuse to an all-time junior and senior girls high series and single game.

Her first game was a 244 behind seven strikes in a row! She then rolled a 213 second game.

With a few untimely splits and the pressure of the crowd, Pam's last game dropped to a 134, giving her a 591 total for the three games. This establishes a new junior-senior bowl record for a girl in the junior program.

Pam is the daughter of Nellie and P. B. Witt, two of Westlake's more enthusiastic bowlers. Nellie has done much for Pam in giving valuable tips and clues to better her game.

The newly formed Senior Boys Peterson Point Trio League opened with seven teams. There is still room for one more team. Anyone interested in participating should call PL 6-5777.

High in the league last week was Steve Funai with 521. His games were 180-166-169. John Zamzow had a 520 with games of 188-162-170, followed by Carl Steigerwald with 511. His games were 188-169-154.

## Abbot Ave. Sailor On Hospital Staff At Yokusuka, Japan

William N. King, son of Mr. and Mrs. Rico Bianichi of 425 Abbot avenue, Daly City, is serving at the Naval Hospital in Yokosuka, Japan.

He was promoted to his present rate on November 16.

Before entering the service, King attended Jefferson High School in Daly City.

# TALENTED ALUMNI CAGERS MEET RAMS; CAPUCHINO NEXT

Westmoor's varsity cagers—mentally geared for a full-throttle effort in next week's Peninsula League Tournament at Hillsdale—will warm-up this Friday night against the school's alumni squad.

The doubleheader begins at 7:30 p.m. and the public is welcome.

In the alumni lineup will be servicemen Bill Dougherty, Dick Reese (Coast Guard Academy), Marines Larry Harper and Clark Beerman, Jim and Bill Mannion, and Gary Tweedie—to name a few.

The varsity last week in practice games lost to Galileo, 41-30, but defeated Balboa, 44-41. Southpaw Barry Krohn led the way with 16 points against Galileo and 13 against the Bucs. Guard Mike Daniels also was hitting, with 11 against Galileo and 13 points in the Balboa game.

Coach Tony Giammona's squad is 4-4 in games to date. The Rams figure to "hold their own" in league play beginning the second week of January. Welcome returnees from the hospital list will be veteran forward Terry Christman (knee operation) and center Ron Schaefer (shoulder injury).

Christman should combine with Krohn and Daniels to give the Rams a good scoring punch, while Schaefer is Westmoor's "big" man at center.

Westmoor's lone drawback is lack of team height.

The Ram 30's last week lost both games. Harry Brown got 14 points against Galileo and 12 against Balboa.

Westmoor's first game in the PL tourney is against Capuchino, the tall and strong quint which is co-favored with Daly City's Jefferson in the race for the championship.

## Ex-Jeff Cage Ace Top Scorer In Army League

Don Delbon, a Brisbane native who rates with the best basketballers Daly City's Jefferson High has produced, is stationed with the U.S. Army at Zweibrucken, Germany.

Don and his wife, Barbara, who is with him in Europe, both are graduates of Jefferson. He attended University of Oregon and San Francisco State where he received his teaching credential.

Delbon was Peninsula "Player of the Year" and earned All-Northern California high school cage honors during his senior year at Jefferson.

DON DELBON

He works in the chaplain's office at the Army post in Germany, and currently is the leading scorer in the German District Basketball League with a 24.4 points per game average. Don collected 38 points in one game and has a total of 244.

Don's wife will return to the United States next May and he will follow in July when his military term expires.

The popular athlete's parents are Mr. and Mrs. Walden Delbon, 265 Klamath street, Brisbane.

WESTMOOR High's 130-pound basketball team, coached by former U.S.C. star Byron Van Alstyne, opens Peninsula League action against South San Francisco in the Rams' gym on Friday, January 13. Left to right, front row: Harry Brown, Dave Mahoney, Gary Mendoza, Mike Pedrini, Dave Nelson and Bruce Hix. Rear row: Mike Lanier, Jim Lair, Ted Tobby, Rich Harter, Spencer Bader and Mike Daubin. Players not pictured are Billy Hix and Bill Caster.

## Wheel-less Aluminum Auto Makes Debut At San Mateo Sports Show

A wheel-less car that travels on pillars of air will be a feature at the sixth annual San Mateo Custom, Rod and Sports Car Show, Friday through Sunday, January 6-8.

The revolutionary aluminum "automobile," built by George Barris of Hollywood, is known technically as a ground effects machine.

Entitled the XPAK 400, the 422-pound vehicle can be operated by remote control or from its luxurious cockpit. Balanced 20-inch aluminum fans supply the necessary air force and jet nozzles control the direction of the vehicle.

Also featured at the show will be a personal appearance by teenage star Tony Dow. Tony plays the part of "Wally" on TV's "Leave it to Beaver" show. The 15-year-old actor will be at the show Saturday and Sunday afternoon to sign autographs.

Some 100 "personalized" cars, including other "far out" machines by Barris, will be on display at the show, to be held in the Fiesta Building, San Mateo County Fairgrounds, San Mateo.

The show is open from 6 to 11 p.m. Friday, and from noon to 11 p.m. Saturday and Sunday.

## ANNUAL AUCTION SCHEDULED BY URSULINE GUILD

Ursuline Guild of St. John's High School will hold its third annual silent auction on Tuesday, January 10, at 8 p.m. in the high school auditorium, 4056 Mission street.

Mrs. Jackson Steuben is General chairman, assisted by Mrs. Joseph Player and Mrs. Hilary Vidosh, reception; Mrs. Ernest Hartl and Mrs. Edward Judnich, hostesses; Mrs. Joseph Camisa, refreshments; Mrs. John Barca, display, and Mrs. Gerald Sullivan, sales. Floral arrangements featuring an orchid tree are being designed by Mrs. J. LaGrave.

The Guild will hold its regular meeting on Wednesday, January 11, at 8 p.m. Mothers of Freshmen 9A will be hostesses under the direction of Mrs. George Firman.

## Buckley Leads Local Donors—11th Time

Royland T. Buckley, donating for the eleventh time, led the latest group of Daly City-Colma contributors to the Peninsula Memorial Blood Bank.

Others were Robert E. Holcomb, Mr. and Mrs. James C. Welsh, Vincent V. DeBono, Keith L. Mathews, Konstantinos Poulos, Andrew M. Conaty, Rene T. Chapot, Michale V. Florio and Howard E. Ferrel.

San Francisco ranks first on the Pacific Coast in waterbourne commerce.

## Annual Meeting Of DC Library Friends Mapped

Among the most important activities of the Friends of the Library during the 1960-1961 season will be their annual meeting to be held Tuesday, January 17, from 8-10 p.m. at the new library on Southgate avenue in Westlake.

Guest speaker will be the best-selling author Mark Harris, creative writing teacher at San Francisco State College. Harris, who received his B.A. from the University of Denver, went on to the University of Minnesota, where he took his doctorate in American Civilization in 1957. He has been associated with San Francisco State for seven years, where his classes have been directed toward the short story and novel writing aspects of creative writing.

Confirming to Friends' policy, this meeting will be open to all and promises to be the most lively to date as Harris plans to base his program on a series of questions, some to be submitted in advance and, time permitting, others to be asked from the floor.

## Christmas Party

The Ha-Mu-No Camp Fire Girls enjoyed a Christmas party given by a sponsor, Mrs. Norman Pomeroy, at her home, 273 Avalon drive, Daly City. After singing Christmas songs and playing games the girls sat down at a Christmas-decorated table for refreshments.

Attending the party were Christine Bertling, Hazel Deacon, Dorothy Huff, Christine Draves, Susan Lester, Connie Moresco, Kathryn Pomeroy, Rebecca Stammerjohn, and Mrs. Ernest Draves.

# *Motorists, Pedestrians Equally 'Careless And Impatient' Says Traffic Sergeant In '60 Report*

While blessed with a perfect traffic fatality record for 1960, Daly City still is putting up with more than its rightful share of traffic accidents involving injury and property damage, a local police sergeant reports.

A discouraging note, he feels, is that most accidents occur at controlled intersections.

"Too many persons are violating the right-of-way that our traffic signals are designed to point out to them," laments Sergeant Henry Sundermann of the Daly City Police Department. "This violation is the immediate cause of most accidents. And far more accidents occur at points where there are traffic lights or stop signs than where there are no such controls."

Sundermann is encouraged, however, in view of the congestion on Daly City's east side, and the fact that a number of important north-south arteries cut through the town, that there have been no fatalities this year.

Based on the number of accidents reported at given points in the city, Daly City's most hazardous "traffic zone" extends along Mission street, northeast of Knowles avenue to a point just over the hill, including both segments of the Mission-San Jose avenue fork. Within this area there are two sub-zones, one being the Mission-San Jose - Wellington-Hillcrest intersection, the other the Mission-Knowles-Hillside crossing.

In 1960 there were more accidents at the west corner of Hillside and Mission than anywhere else in Daly City. All involved property damage, but no injuries.

Alemany boulevard in Westlake has been the scene of a number of accidents this year, all involving bodily injury. Pileups at the Junipero Serra-Alemany intersection have taken the city's highest injury toll. The Lake Merced, Sheffield and Park Plaza crossings on Alemany can be termed runners-up in this respect.

Sundermann reports that, while careless, Daly City drivers can usually pass a sobriety test. Drunk driving has not become a serious problem. Speeding, however, has become commonplace on some of the major thoroughfares. To control this, the Police Department posts an officer at any point which local citizens have brought to their attention as a speed zone, or which the police themselves have been watching.

When asked about the pedestrians in the city, Sundermann replied wearily, "They're behaving very poorly. They tend to ignore the traffic signals. Some will press the control button, then become impatient and cross before the light changes.

"This happens constantly at the top of the Mission street hill — where, incidentally, I think we have one of the most confusing and dangerous intersections in the state."

Sundermann added that most pedestrian accidents are the result of the pedestrian's violation of his own right-of-way.

Accident frequency is not relative to the time of day, the sergeant added. At rush hour—morning or afternoon — there are more cars on the road, but drivers are usually sober, more alert and travelling at moderate speeds. At night, while there may be a tendency toward speeding and drinking, the roads are less crowded.

"Rush-hour conditions worsen, of course," reminded Sundermann, "under a heavy fog. Morning and afternoon fogs on Skyline Boulevard have caused many rear-end collisions."

## Babe Anguillo Paces Bowlers

Babe Anguillo of Vince & Fred's Annex team took double honors Tuesday in Daly City-Colma Merchants League bowling at Brentwood.

Babe hit a 265 high game and a 667 high series.

Merle Mirtoni of Clearlike Trophies rolled a triplicate—three 171's.
